LEVERAGING AI TO STRENGTHEN COMMUNICATION ACROSS THE MODES: PRACTICAL STRATEGIES AND ETHICAL CONSIDERATIONS FOR LANGUAGE TEACHERS

In this hands-on workshop, we will explore how AI tools can be used to support communication across the interpretive, interpersonal, and presentational modes. Participants will leave with tools and strategies to help students engage with AI responsibly and constructively in their language learning journeys.

WHAT YOU WILL LEARN:

- Identify AI tools to support interpretive, interpersonal, and presentational skills.
- Explore ways to integrate AI into your teaching context.
- Outline strategies to guide students in using AI ethically.
